

## Lakeville Veteran's Honor Roll

The Lakeville Historical Commission annually updates the Lakeville Veterans' Honor Roll that currently stands at the Lakeville Town House. Veterans' names are placed on the Honor Roll if you resided in Lakeville at the time of your enlistment. In addition to the Honor Roll, the Commission publishes the book, *Salute To Those Who Serve*. This book lists all the veterans from Lakeville who have served, regardless of your residency status at time of enlistment. This book is available for purchase at the Town Clerk's Office.

If you are interested in registering with the Lakeville Historical Commission, please complete the information below and forward back to the address below. If you have any questions regarding the Honor Roll or the book referenced above, please contact Kathleen Barrack, member of the Lakeville Historical Commission, at 774-259-1320.
